

Resilient communities in Myanmar

[Please visit the Building Resilient Communities Facebook site!](#)

Organic kitchen gardens in 21 out of 35 villages

Mushroom harvest 2 weeks after planting

2 TOT and 21 replication workshops by MRCS staff and volunteers

Livelihoods support to 180 vulnerable households

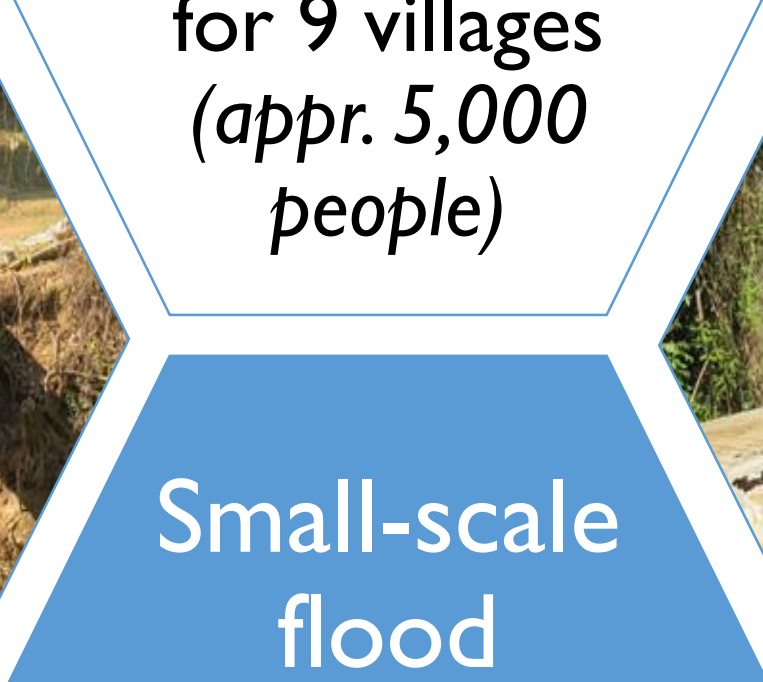

Cleaning up days for garbage collection and disposal in all villages

Access to life-saving facilities in flood season for 9 villages (appr. 5,000 people)

Safe water and latrines in 15 out of 35 villages & schools

Small-scale flood mitigation works

Thanks to all the active Facebook contributions of our MRCS staff and volunteers!
