REUNITED WITH THEIR FAMILIES

The ICRC paid particular attention to the cases of unaccompanied minors and separated children – among them, migrants and children formerly associated with armed forces or armed groups. This work entailed tracing their relatives, organizing family reunifications or identifying other long-term solutions, in the best interests of the child and with the agreement of all those involved.

ECONOMIC SECURITY

The ICRC, in most cases with National Societies, helped residents, IDPs, returnees, refugees and detainees in 61 countries and territories meet their basic needs and/or improve their livelihoods.

During the year, the ICRC supported – regularly or on an ad hoc basis – **441 HOSPITALS** in 29 countries or territories.

WATER AND HABITAT

The ICRC worked with local authorities and communities to repair, build or upgrade water-supply, sanitation and other infrastructure in 49 contexts. This translated to potable water, reduced health risks or generally better living conditions for millions of people.
