

# Joint action plan

Technical Cooperation between RCRC and AHA Centre / **Bangkok** / December 2014

*In September 2014, representatives from Southeast Asia Red Cross and Red Crescent (RCRC) National Societies (NS) gathered in Bangkok as part of the Community Safety and Resilience Forum to enhance their integrated approach for community resilience building and strengthen the regional cooperation among and between members. Participants included Department Heads for Disaster Management, Health and Organizational Development as well as a representative from the ASEAN Humanitarian Assistance (AHA) Centre.*

*During technical discussions, it was agreed that IFRC, RCRC National Societies and the AHA Centre should continue building on the positive collaboration undertaken so far and explore opportunities for further technical cooperation in the form of a 'joint action plan'.*

**Saving lives, changing minds.**

Over the next ten years, the collective focus of the IFRC will be on achieving the following strategic aims:

1. Save lives, protect livelihoods, and strengthen recovery from disasters and crises
2. Enable healthy and safe living
3. Promote social inclusion and a culture of non-violence and peace
