Sendai Framework
for Disaster Risk Reduction
2015 - 2030

# Expected Outcome

"The substantial reduction of disaster risk and losses in lives, livelihoods and health and in the economic, physical, social, cultural and environmental assets of persons, businesses, communities and countries"
International Federation
of Red Cross and Red Crescent Societies

www.ifrc.org
Saving lives, changing minds.

**Sendai Framework for Disaster Risk Reduction 2015 - 2030**

# *Goal*

- Focus on **preventing** new disaster **risks**, **reducing** existing disaster **risks** that also **strengthen resilience**

- Calls for various measures to **prevent and reduce** hazard **exposure and vulnerability**, increase preparedness and recovery

- Calls for **integrated** and **inclusive** economic, structural, legal, social, health, cultural, educational, environmental, technological, political and institutional **measures**

- Calls for **increase** in preparedness for response and recovery,

**International Federation of Red Cross and Red Crescent Societies**

www.ifrc.org
Saving lives, changing minds.

**7 GLOBAL TARGETS**

| ⬇ **Reduce** | ⬆ **Increase** |
|---|---|
| **Mortality/** global population 2020-2030 Average << 2005-2015 Average | **Countries with national & local DRR strategies** 2020 Value >> 2015 Value |
| **Affected people/** global population 2020-2030 Average << 2005-2015 Average | **International cooperation** to developing countries 2030 Value >> 2015 Value |
| **Economic loss/** global GDP 2030 Ratio << 2015 Ratio | **Availability and access** to multi-hazard early warning systems & disaster risk information and assessments 2030 Values >> 2015 Values |
| **Damage to critical infrastructure & disruption of basic services** 2030 Values << 2015 Values | |

**SFDRR and IFRC**

# *Key areas of* Sendai Framework for Disaster Risk Reduction 2015 - 2030
- Importance of **Health**

- Role of **Women** and **Human rights**

- Focus on **local** level and stakeholders

- Focus on **Stakeholders** and **inclusive** approach

- Clear **link** with financing for development, climate change and the post 2015-development agenda

- Focus on recovery, rehabilitation and reconstruction and **DRR mainstreaming / Build Back Better**

**NEW & IMPROVED**

International Federation of Red Cross and Red Crescent Societies

www.ifrc.org
Saving lives, changing minds.

## *Innovations*

- **Shift** from disaster loss **to disaster risk**

- **Shift** from disaster management **to disaster risk management**;

- Shift from **"what to do?"** to **"how to do?"**

- Focus on **people-centered** preventive approach to DRR

- **Primary** responsibility of States for DRR

- **Shared responsibility** for DRR with stakeholders

- Scope includes **slow-onset, man-made and bio hazards**;

- Set of global **targets**;

- Set of guiding **principles**;

International Federation
of Red Cross and Red Crescent Societies

**SFDRR and IFRC**

# *Innovations*

Sendai Framework for Disaster Risk Reduction 2015 - 2030
- Articulation of **governance** to manage disaster risk, including role of national platforms;

- Understanding, tackling disaster **risk drivers**;

- Preparedness to **"build back better"**;

- Strengthened **accountability** for disaster risk management;

- **Recognition of** stakeholders and their **roles**;

- Mobilization of risk-sensitive **investment**;

- **Global** and **Regional Plans** for coherence, monitoring and periodic reviews;

- Resilience of **health** systems, **cultural** heritage, and work places;

**International Federation of Red Cross and Red Crescent Societies**

www.ifrc.org
Saving lives, changing minds.

Sendai Framework
for Disaster Risk Reduction
2015 - 2030
# *Role of Stakeholders*

- Shift from considering stakeholders as victims and vulnerable to agents of change and focus on empowerment and inclusion
- Adds indigenous people engagement, and voluntary commitments

**Specific focus on**:

- Civil society, volunteers, organized voluntary work & community-based organizations
- Academia, scientific and research entities and networks
- Business, professional associations & private sector financial institutions
- Media
- Parliamentarians

**NEW & IMPROVED**

International Federation
of Red Cross and Red Crescent Societies

www.ifrc.org
Saving lives, changing minds.

**4 PRIORITIES FOR ACTION**

**Priority 1** **Understanding disaster risk**

*Policies and practices for DRR should be based on an understanding of disaster risk in all its dimensions of vulnerability, capacity, exposure of persons and assets, hazard characteristics and the environment.*

**Priority 2** **Strengthening disaster risk governance to manage disaster risk**

*Disaster risk governance at the national, regional and global levels is of great importance for an effective and efficient management of disaster risk.*

**Priority 3** **Investing in disaster risk reduction for resilience**

*Public and private investment in DRR are essential to enhance the economic, social, health & cultural resilience of persons, communities, countries, their assets, as well as environment*

**Priority 4** **Enhancing disaster preparedness for effective response, and to "Build Back Better" in recovery, rehabilitation and reconstruction**

*Strengthened disaster preparedness for response, recovery, rehabilitation and reconstruction are critical to build back better*

National and local dimensions

Regional and global dimensions

**SFDRR and IFRC**

# *Priority Area 1. Understanding Disaster Risk*

*Addressing Policies and Practices for DRR*

## National and Local Level

Risk mapping, analysis, use/dissemination of obtained information,

awareness raising and education

integration in policies and strategies

access to information through traditional and innovative technologies

## Global and Regional Level

Mapping

Methodologies and tools for development and dissemination

Systems development

Campaigns for public awareness and education (i.e. Safe Steps)

Access & support for innovative technologies

**International Federation of Red Cross and Red Crescent Societies**

**SFDRR and IFRC**

# IFRC Contribution to Priority Area 1.

*Addressing Policies and practices for DRR*

INTERNATIONAL

FEDERATION

**National level**
**Local level**
Organisations

- Vulnerability and Capacity Assessment
- Sectoral assessment
- GIS / MRA (PMI), RMS
- Community Resilience programming
- Public awareness and public education
- Formal and informal school education

**International Federation of Red Cross and Red Crescent Societies**

**SFDRR and IFRC**

# Priority Area 2.Strengthening Disaster Risk Governance to Manage Disaster Risk.

*Addressing disaster risk governance at all levels*

## National and Local Level

- Mainstream DRR within and across all sectors
- Implement DRR strategies and policies
- Assess DRM capacity
- Strengthen mechanism to monitor implementation of national/local plans
- National and local DRR platforms
- Clear roles and responsibilities
- Empower local authorities

## Global and Regional Level

- Global and Regional Strategies and mechanisms for KIM and sharing systems
- DRR platforms at global/regional levels
- Trans boundary cooperation
- Monitoring and Assessment of disaster risks / promote exchange of information

International Federation
of Red Cross and Red Crescent Societies

# IFRC Contribution to Priority Area 2

*Addressing disaster risk governance at all levels*

INTERNATIONAL

FEDERATION

**National level**

National government

**Local level**

Organisations

Mainstream DRR into RCRC policies and plans
NS DRR Frameworks / DRM Strategies
Integrated NS development strategies /plans
National DRR Platforms
Integrated multisectoral Community Based initiatives/programmes
Disaster Laws (DRR&DR)
Gender sensitive DRR
Beneficiary communication
Empowering Local authorities, communities, indigenous people and migrants

**SFDRR and IFRC**

# *Priority Area 3. Investing in Disaster Risk Reduction for Resilience.*

*Addressing Public & Private investments in DRR to build resilience of individuals, communities, countries*

## National and Local Level

- Governments to allocate resources at all levels for DRR
- Increase PP investment in disaster resilient structures
- Promote mainstreaming of DRR into policies land-use, rural development / Building Codes
- Design/Implementation of inclusive policies integrated with livelihood, health, housing, educations
- Strengthen the protection of livelihoods and productive assets

## Global and Regional Level

- Coherence across organizations related to sustainable development and DRR in policies, plans, programmes and processes
- Enhance cooperation btwn Health and other stakeholders to improve DRM for Health and other sectors as well
- Promote / Support Social Safety nets as DRR measures link to livelihoods at household and community level
- Strengthen international efforts for hunger and poverty eradication through DRR

**International Federation of Red Cross and Red Crescent Societies**

# *Priority Area 4.Enhancing Disaster Preparedness for Effective Response, and to "Build Back Better" in Recovery, Rehabilitation and Reconstruction*

*Addressing strengthening of disaster preparedness for response, integration of DRR in response preparedness and capacity building*

## National and Local Level

**Sendai Framework for Disaster Risk Reduction 2015 - 2030**

- Contingency policies/plans/programs
- People centered Multi-hazard, multi-sectoral EWS
- Emergency stock-piling
- Post-emergency planning
- Capacity building in disaster preparedness and response
- Simulation exercises
- Mainstreaming DRR into recovery and longer-term development
- Collaboration between all stakeholders
- Evacuation
- Dead Body Management
- PSP Support
- Disaster response Laws

**International Federation of Red Cross and Red Crescent Societies**

# IFRC Contribution to Priority Area 4

*Addressing strengthening of disaster preparedness for response, integration of DRR in response preparedness and capacity building*

INTERNATIONAL

FEDERATION

The one billion coalition for resilience

**National level**

National government

**Local level**

Organisations

National Disaster Preparedness and response mechanism (NDPRM) which include the below points:

National Society Contingency plans

HCT/Cluster Coordination, Pre-disaster meetings

People centered Multi-hazard, multi-sectoral EWS

Emergency stock-piling/buffer stocks

Post-emergency planning

Capacity building in disaster preparedness and response (National Disaster Response Teams –NDRT, BDRTs)

Simulation exercises/Mock drills

Mainstreaming DRR into recovery & Build Back Better approach

Mainstreaming Gender and diversities into all programming tools and implementation

Promote IDRL

**IMPLEMENTATION OF THE SFDRR IN ASIA – FROM SENDAI TO DELHI REGIONAL PLATFORM LED BY UN ISDR**

- **The objectives of regional platform is to:**

    - Provide policy framework for SFDRR implementation in Asia and the Regional Road Map for Implementation

    - Provide policy guidelines for governments and stakeholders

    - Serve as reference for monitoring the SFDRR progress

# Ten stakeholders groups in Asia

Parliamentarians

Group on Gender Equality and Women's Empowerment in Disaster Risk Management and Regional Resilience Building
Science, Technology and Academia

Children, Youth and Child Centered Organizations

Asian Civil Society Organizations

National Societies of Red Cross and red Crescent - IFRC

Media

Private Sector

Mayors and Local Government Authorities

Individuals and organizations concerned with disability

# Building on HFA regional strategies through AMCDRR

## Beijing 2005

*Highlighted the relevance of DRR for poverty reduction and sustainable development in Asia. Called for National Plans for Action and strengthening of existing regional collaboration mechanisms*

## Delhi 2007

*Agreed on biennial Ministerial Conference as a multi-stakeholder Regional Platform for DRR. Called for the enhancement of partnership in DRR. Affirmed UNISDR role to provide secretarial support to Regional Platform*

## Kuala Lumpur 2008

*Emphasized multi-stakeholder partnerships and private sector role. Recognized the role of local authorities. Called for capacity building of local authorities and communities*

## Incheon 2010

*Regional Roadmap on DRR through CCA (REMAP): to make DRR and CCA priorities in national policies and build synergies between them at the national, regional, and global levels*

## Yogyakarta, 2012

*Called for capacity building for local risk assessment, mainstreaming local DRR into national development, financing DRR. Inputs for the post-2015 framework for DRR. Ten Stakeholder Groups statements of commitments*

## Bangkok, 2014

*Called to strengthen local resilience, investments in disaster and climate risk management and PPP. Adopted Asia-Pacific Inputs for the post-2015 framework for DRR. Agreed to prepare Regional Implementation Plan. Stakeholders commitments*

# Timeline

**2015**

**2016**
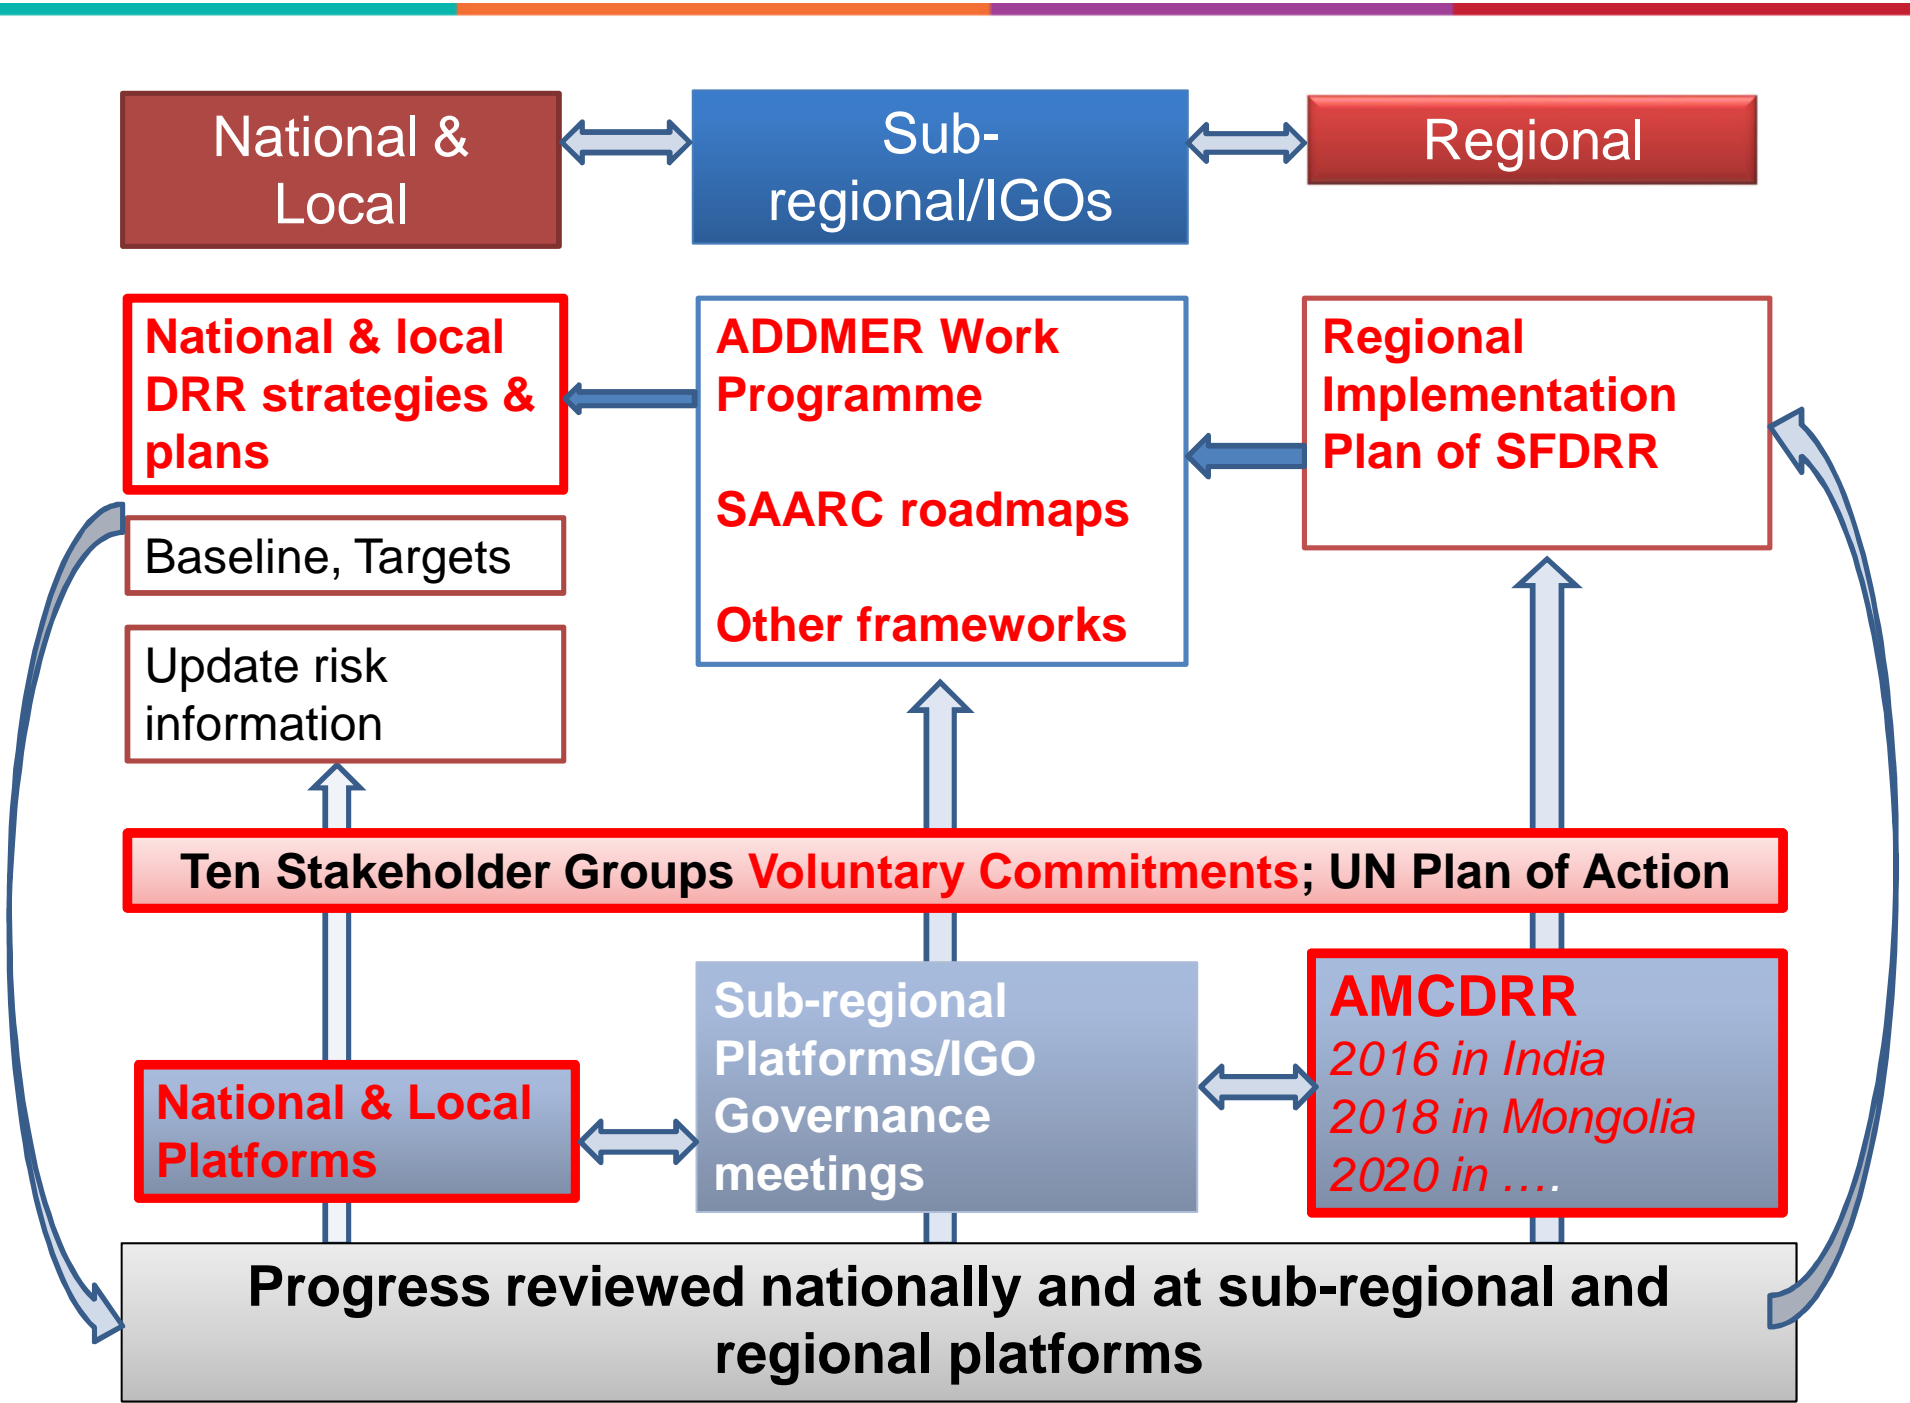

**IAP, June**
*Roadmap, initial outline of AMCDRR, identified contributions*

**IAP, Feb (TBC)**
*Country DRM status evaluations, National Implementation Plans*

*1st draft Regional Road Map for Implementation*

**UNGA Sept**
*Adopt WCDRR outcomes*

**IAP, Nov + Ministerial Dialogue** (TBC)
*First Country DRM status evaluations, National/Local Implementation Plans
Initial draft Policy Dialogue and Sector Briefs*

**IAP, August (TBC)**
*Final Draft Regional Road Map for Implementation*

**December**
*Define SFDRR periodic review*

**1st AMCDRR, New Delhi, Nov 2016**

*Adopt Regional Road Map for Implementation*
